Re.: Intake Packet

Included in this section you will find the materials necessary for opening your case at RGM. Please take a few minutes and fill them out. If you want RGM to be in touch with your doctor or psychiatrist, please complete the release of information form at the end of this series of documents.

In all cases involving insurance, RGM will submit your bills for you.

If you are a member of United Health Care, Oasis, Medicare, GM Retired, and Alliance Behavior Care, you are likely eligible for in-network services and will be required to pay only your co-pay at the time of service; in these cases insurance payments will be mailed to RGM.

**PLEASE NOTE: UHC/UBH, Value Options, Oasis, GM Retired, Alliance Behavioral Care, certain Anthem/Blue Cross and Tricare policies must have an authorization code at time of intake; the subscriber must secure initial authorization per insurance company policies.**

If you are insured by Anthem, Medical Mutual of Ohio, Aetna, Tricare or some other insurance company, you may be asked to pay for your sessions at the time of service; in these situations your insurance reimbursements will be mailed directly to you by the insurance company.

The base rates for service at RGM are as follows: 125 USD for initial session; 100 USD for all follow-up sessions; 40 USD for Group therapy.

If you have been referred by your EAP or are a CareSource member, there will be no charge for the sessions allotted to you (except when appointments are not canceled in a timely manner).

RGM accepts cash, checks, money orders and credit cards for payment.

Thank you for choosing RGM Psychotherapy Resources, Inc. for assisting you at this difficult time in your life.
